FREE SAMPLE · FROM THE HALIVS HOST KIT ($19) · NOT THE FULL KIT

Guest WiFi card

Print once. Put it where guests look. Stop answering the same WiFi text.

WIFI

Network

Password

WiFi QR code
(optional)

Property

HALIVS

Cut to 4 × 6 in · print on card stock · type into the fields or write by hand

HOW TO USE

1. Type your network name and password into the two fields (Preview, Acrobat or Edge), or print and write them in.
2. Print at 100% / actual size on US Letter (card stock if you have it), then cut on the dashed guide to 4 × 6 in.
3. Optional: print a small WiFi QR code from any free generator and glue it into the dashed box.
4. Place it on the nightstand, entry console or inside a small frame.
